Step 4

Now create your new username and password. You need to provide required information as shown in Figure 4.

Note: You’re advised to use your real names and a simple username that helps recognize who you are online. Do NOT use a “cool” nickname like “boy2cool” or “girl4u” that are often seen elsewhere. Remember this is a course of studies.

**Step 6**

Go through Step 1, 2 and 3 again and login using the username and password you’ve registered with.

**Attention:**

For the first time you login, you will need the **Enrolment Key**. The teacher in charge of the course will give you this key in class or by email.

**IMPORTANT:**

*Do not give this key to people outside your class.*

---

**Step 7**

After you login successfully you can see the screen below (Figure 6).
